OIL PIPELINE FILING

The Honorable Kimberly D. Bose
Secretary
Federal Energy Regulatory Commission
888 First Street, N.E.
Washington, D.C. 20426

Dear Secretary Bose:

Enclosed for etariff filing pursuant to the Interstate Commerce Act (“ICA”) and the regulations of the Federal Energy Regulatory Commission (“FERC”) is the following tariff publication issued by Delaware Pipeline Company LLC (“DPC”):

Tariff No.	Description	Effective Date
F.E.R.C. No. 3.9.0 (Cancels F.E.R.C. No. 3.8.0 in Docket No. IS17-414-000)	Local Rate Tariff	July 1, 2018

All rates in the above proposed tariff are increased from the prior tariff rates. DPC is making this filing in compliance with 18 C.F.R. § 342.3, to index the existing rates. The proposed rate in F.E.R.C. No. 3.9.0 has been calculated in accordance with the “Notice of Annual Change in the Producer Price Index for Finished Goods” (“Notice”), issued on May 11, 2018, in Docket No. RM93-11-000. The Notice requires that the current ceiling levels for FERC oil pipeline tariffs be revised by a positive multiplier of 1.044087. The proposed rate in F.E.R.C. No. 3.9.0 does not exceed the revised ceiling level.

Attached is a summary table for the DPC local tariff rate including the 2017 and 2018 index ceilings, current rate, and proposed rate.

I hereby certify that, on this date, copies of the publications attached hereto have been sent to each subscriber by first class mail or other means agreed upon.
