
**CHARTER
OF THE
AUDIT COMMITTEE
OF PBF ENERGY INC.**

I. PURPOSE

The purpose of the Audit Committee (the “Committee”) is to assist the Board of Directors (the “Board”) of PBF Energy Inc. (the “Company”) in fulfilling its oversight responsibilities by (a) reviewing (i) the quality and integrity of the Company’s financial statements, (ii) the Company’s compliance with legal and regulatory requirements, (iii) the qualifications and independence of the Company’s independent auditors, (iv) the performance of the Company’s internal audit function and independent auditors, (v) the Company’s systems of disclosure controls and procedures and internal controls over financial reporting, (vi) the Company’s financial risk exposures, and (vii) the Company’s disclosures with respect to cybersecurity and information technology risks; and (b) preparing the report that U.S. Securities and Exchange Commission (“SEC”) rules require be included in the Company’s annual proxy statement.

The Committee will primarily fulfill these responsibilities by carrying out the activities enumerated in Section IV of this Charter.

The function of the Committee is oversight. It is not the Committee’s responsibility to certify the Company’s financial statements or to guarantee the report of the independent auditor. The Company’s management is responsible for the (i) preparation, presentation and integrity of the Company’s financial statements, (ii) maintenance of appropriate accounting and financial reporting principles and policies, and (iii) maintenance of internal controls and procedures designed to assure compliance with accounting standards and applicable laws and regulations. The independent auditor is responsible for planning and carrying out proper audit and reviews. In fulfilling their responsibilities hereunder, it is recognized that members of the Committee are not full-time employees of the Company. As such, it is not the duty or responsibility of the Committee or its members to conduct auditing or accounting reviews or procedures, except to the extent described below under “Performance Evaluation”. Each member of the Committee shall be entitled to rely on (i) the integrity of those persons and organizations within and outside the Company from which it receives information and (ii) the accuracy of the financial and other information provided to the Committee by such persons and organizations absent actual knowledge to the contrary (which shall be promptly reported to the Company’s Board). In addition, the evaluation of the Company’s financial statements by the Committee is not of the same scope as, and does not involve the extent of detail as, audits performed by the independent auditor, nor does the Committee’s evaluation substitute for the responsibilities of the Company’s management for preparing, or the independent auditor for auditing, the Company’s financial statements.

II. COMPOSITION

The Committee shall be comprised of three or more directors as determined by the Board. Each member of the Committee shall be (i) “independent,” as defined under Rule 10A-3 of the

Securities Exchange Act of 1934 (the “Exchange Act”) and the rules of the New York Stock Exchange and (ii) free from any relationship that, in the opinion of the Board, would interfere with the exercise of his or her independent judgment as a member of the Committee. All members of the Committee shall be financially literate, and at least one member of the Committee shall have accounting or related financial management expertise as such qualifications are interpreted by the Board in its business judgment, and qualify as an “audit committee financial expert” as defined in Item 407(d)(5)(ii) of Regulation S-K. Committee members may enhance their familiarity with finance and accounting by participating in educational programs conducted by the Company or an outside consultant. No member shall serve on the audit committees of more than a total of three public companies (including the Company) without further consultation of the Board which may determine that a member of this Committee may serve on the audit committees of three other public companies so long as (i) the Board determines that such simultaneous service would not impair the ability of such Committee member to effectively serve on this Committee, and (ii) the Company discloses such determination in accordance with the disclosure requirements of the NYSE Listing Standards. A member’s service on the audit committee of one or more closed-end funds within a single family of funds will be deemed to be membership on only one audit committee for purposes of this standard.

The members of the Committee shall be elected by the Board at the annual organizational meeting of the Board, or at any interim meeting to fill any vacancies or to make any other changes based on recommendations from the nominating and corporate governance committee. Unless a Chair is elected by the full Board, the members of the Committee may designate a Chair by majority vote of the full Committee membership.

Any compensation to be paid by the Company to any Committee member shall be determined by the Board and must consist solely of director’s compensation; provided, however, that pension or other deferred compensation that is not contingent on future service to the Company will not be deemed to violate this requirement. Directors will be reimbursed for their expenses incurred in performing their duties.

III. MEETINGS

A majority of the Committee shall constitute a quorum. The Committee may act by a majority of the members present at a meeting of the Committee. In the event of a tie vote on any issue, the Chair’s vote shall decide the issue. The Committee shall meet in person or telephonically at least four times annually, or more frequently as circumstances dictate. The Committee may delegate some or all of its duties to a subcommittee comprised of one or more members of the Committee. The Committee may ask members of management or others whose advice and counsel are relevant to the issues then being considered by the Committee to attend any meetings and to provide such pertinent information as the Committee may request. The Committee shall keep minutes of each meeting, which minutes shall be subject to approval by the Committee at a subsequent meeting.

As part of its job to foster open communication, the Committee should meet at least annually with management, any vice president or director responsible for the internal auditing department

and the independent auditor in separate executive sessions to discuss any matters that the Committee or each of these groups believe should be discussed privately.
